

30 June 1995

Dear Porsche Enthusiast,

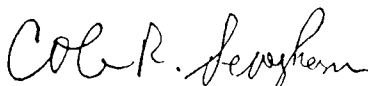

These are exciting times for Porsche owners--the Porsche Club of America with over 30,000 members worldwide will soon be adding a new region! The process has begun to incorporate a new region in the area of Charlottesville, Harrisonburg, Waynesboro/Staunton and surrounding areas. You are among nearly 100 Porsche owners invited to an organizational meeting to get this new region started. The meeting will be held July 15 at G & W Motorwerkes, Ltd. (Rt. 250W just outside of Waynesboro). Call Cole Scrogam at 703/942-5285 (W) or 703/248-4217 (H) if you have any questions.

PCA was founded in 1955 to engender cooperation among Porsche owners. Since then, it has grown into the largest single-marque car club in the world. Advantages of PCA include Porsche PANORAMA, the high profile monthly magazine on all things Porsche with free classifieds and the Porsche PARADE, the annual national event featuring a Concours, Rally, Autocross and Technical Quiz. This week long event draws well over 2000 Porsche owners from all over the world. For less zealous members PCA offers technical committees to help with problems you may be having with your car or to offer suggestions on any changes you are considering. PCA even provides hospitality tents and parking areas at races and other events. All in all, PCA is a wonderful organization designed to help you get the most out of the unique Porsche experience.

Enclosed is a membership brochure, questionnaire and transfer form. Please complete the application and bring it with you (less region information of course). If you are already a member, a transfer slip is included for those within our geographic area, or dual membership with another region is also offered. If you cannot attend the July 15 meeting, please take the time to mail the application with check payable to PCA to Cole Scrogam at 210 Valley View Avenue, Mt. Sidney, VA 24467. Other meetings and opportunities to enjoy PCA will soon follow if you miss this meeting, but try to attend if you can.

The meeting will commence around 2 p.m. and last as long as interest allows. The "Porsche Legends" video will be shown and refreshments will be provided. The enclosed questionnaire should give you an idea of the meeting's focus and what we have in mind for future events, etc. Prospective names for the region will also be discussed, among the favorites are Old South, Shenandoah and Old Dominion, but other suggestions are very welcome. I hope to see you there!

Sincerely,

Cole R. Scrogam
